Self-motivated, highly passionate and hardworker looking for an opportunity to work hard in a challenging organization to utilize my skills and knowledge to work for the growth of the organization.

Work History

2023-09 -

Current

Intern at Steepgraph

Steepgraph, pune

Working as intern at steepgraph. I have learned PLM, ARAS. PLM is product lifecycle management. Product lifecycle management is strategic process of managing the complete journey of product from initial ideation, development, service, and disposal. ARAS is PLM web based software solution to support companies that need to manage product development, multi-site manufacturing and quality compliance.
